BLUETOOTH SPEAKER COOLER

Gift with purchase

BLUETOOTH SPEAKER COOLER

The Bluetooth soft cooler is not your ordinary cooler, it has two **built in Bluetooth speakers** which will allow you to playback your music wirelessly from your iPhone, smartphone, tablet, or other Bluetooth enabled device.

Each cooler **fits up to 24 beer cans**, and you can easily store your lunch, ice, snacks, drinks and more inside! The perfect accessory for a picnic, beach day, day at the pool, or wherever on-the-go fun you have.

Coming in a range of bright colors, each cooler also **includes an aux cable** to manually connect devices to the speakers.
